Advance-Nilfisk Parts - Think about how long and tiresome it will be to clean-up right after a party, with no assistance from equipment. Not too long ago, the dirt from upholstery and carpets had to be beat out of them by hand; brooms, brushes and cleaning cloths were the best cleaning products at the time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in 1906, he started to produce motors in order to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the beginning was to have a global business advertising merchandise globally.

The Nilfisk C1 was a remarkable breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This creation came in a time where numerous cleaning equipment were massive and needed 4 or more operators, thus, the Nilfisk C1 transformed everything and evolved the method we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning machines provide a brilliant solution to an ongoing dilemma; stuff get dirty and need to be cleaned regularly, without too much effort.

Gradually but progressively, Nilfisk-Advance expanded throughout the years. In the 1980s, this expansion really took place when the company became a part of the NKT Group. Their new owners' drive and concentration made Nilfisk-Advance take a huge leap ahead within the industry, trying to be one of the leading universal players in the market of professional cleaning machines. Nilfisk-Advance is presently represented in every part of the world by gradually obtaining many smaller companies in order to grow their product portfolio and presence in new markets. They are really proud to offer various cleaning solutions to meet every need.
