

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized in the industry as durable and strong equipment which suits all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to supply components, warranty service and machines for these kinds of scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of several facility supervisors where efficiency and results make a difference. Lately, this particular floor scrubber model has been requested by the architects in new construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site due to the model's supreme performance level and excellent quality for polishing concrete.
