

Rockwell Parts

Rockwell Parts - The business of AxleTech International is a large supplier of specialty vehicle drive-train systems and components along with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for delivery, quality, service and technology. They believe in working within an environment that encourages the utmost integrity with empowered teamwork, along with a persistent pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of ecological stewardship and safety in how they do business. The business has put various programs in place so as to articulate these values within their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with any comments or questions, since they are happy to promote and share this policy with a greater knowledge of their efforts. They are very committed to preserving and improving the natural environment. AxleTech has an EHS program which not only protects the natural world but which likewise actively protects their employees and neighbors as well.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles used for both military and commercial applications. These applications range from construction equipment to airport ground support. AxleTech specially designs axles so as to meet certain application demands. They have over 1000 different axle specs in their existing offering. With over 100+ years of knowledge and history, AxleTech proudly supplies the most complete solution for whatever of your axle needs. The business is well known in several commercial and military applications. They offer complete axle assemblies used for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have extra details that could be found in the "ISAS" product collection.
