

## Axle Tech Parts

Axle Tech Parts - The business of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for delivery, quality, service and technology. They believe in working within an atmosphere that encourages the highest integrity with empowered teamwork, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively using principals of environmental stewardship and safety in how they do business. The business has put various programs in place so as to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with whatever questions or comments, because they are happy to promote and share this policy with a greater knowledge of their efforts. They are really devoted to preserving and improving the environment. AxleTech has an EHS program which not just protects the environment but which even actively protects their staff and neighbors also.

AxleTech specializes in the designing and manufacture of planetary axles for both commercial and military applications, that can consist of anything from airport ground support to construction equipment. They take great pride in being a ground-breaking drive-train solutions provider also. AxleTech particularly designs axles in order to meet certain application demands. They have over 1000 different axle specs within their current offering. With more than one hundred years of experience and history, AxleTech proudly supplies the most complete solution for any of your axle requirements. The business is well known in many military and commercial applications. They provide complete axle assemblies utilized for aftermarket replacement requirements, together with servicing axle needs for OE production. Their high mobility ISAS have extra details which can be seen in the "ISAS" product collection.
