

## Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They like offering items which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, along with owners' strong desire to significantly reduce cost through productivity gains.

When considered necessary, the staff members within TREK and its various dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their customers' cleaning machinery ready and running day by day is top priority. The company's top of the line technology delivers dependable equipment which eventually reduces your cost of cleaning. The product, the price and the service all work as one in order to make them an industry leader.
